REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Cheraw Primary School, our mission is to provide a positive, challenging, and enriched school environment that allows staff, parents, and the community to prepare students for the future. Cheraw Primary is accredited by the Southern Association of Colleges and Schools. Cheraw Primary is a Response to Intervention Demonstration Site. This research-based professional development initiative focuses on analyzing data to inform instruction, appropriate use of assessment, and implementing effective literacy practices. Cheraw Primary participated in the Summer Reading Project sponsored by the South Carolina Department of Education. This initiative provided each student with twelve books to add to their personal libraries. This is wonderful opportunity for our students to improve their fluency, stamina, and comprehension during the summer. Cheraw Primary participated in the Fresh Fruit and Vegetables Program. The goal of this grant is to improve children's overall diet and create healthier eating habits to impact their health. On May 22, 2012, it was announced that Cheraw Primary is one of five schools being honored as winners of the state's prestigious Exemplary Writing Award. All of our teachers have participated in staff development in the areas of literacy, writing, mathematics, science, character education, and comprehensive health education. Sue Cox, math consultant, conducted a series of workshops on creating assessments and data analysis. Cheraw Primary continued its Character Education Program by promoting life skills and civic responsibilities. Seven teachers are National Board Certified. Parents, business, and community leaders supported our school through PTO, School Improvement Council, and a Volunteer Tutorial Program. Cheraw Primary School consistently promotes its thriving volunteer program by logging many productive hours each year. The Artists in Education Program and our school's PTO co-sponsored residencies with the following artists: Gina Beane, puppetry, and Patz Fowle, pottery. Children's author Kimberly Johnson provided workshops for our students and teachers. Our school participated in service projects which included collecting non-perishable items for the McArn Food Bank and supporting Relay for Life. Our dedicated faculty and staff have worked diligently to create an environment that promotes student success. As reflected in our school motto, "We Just Can't Hide Our Papoose Pride."
